News from Nurse Bonnie:

Maine Law, Title 20-A MRSA 2902, Vision & Hearing Screenings for Pre-K, K, 1, 3, 5th and 7th Grades will begin immediately. Students who currently wear glasses will be tested with the glasses on. Any student considered to fail the screening will be referred to their parents and provided with a referral form to bring to their health provider or specialist. A student whose parent objects in writing to screening shall not be screened unless a sight or hearing defect is reasonably apparent.

Also, height and weight measurements are recommended for grades Pre-K, K, 1, 3, 5th, and 7th, as this is the most practical method for assessing children's growth, and assist with calculating Body Mass Index (BMI). A student whose parent objects in writing shall be excused from the height /weight portion of screening. Thank you, B. Newcombe RN, CMS, A. Saucier RN/ CPS.
