LEEANN MARIN, *School Counselor*  
THOMAS J. McNEIL, *Guidance Director*

Dear Parents and Guardians of the Class of 2025,

It is hard to believe, but it is time to start thinking about the next school year and your child's transition to high school. Usually, we invite all incoming parents and students to an open house, unfortunately, with COVID restrictions we cannot do that this year, however, we still wanted to provide families with information as well as host a question and answer session.

We have uploaded a 20-minute presentation where we discuss the school and some of the important information for new students and their families to know. Best of all, we have two students that share their experiences and why they love Winslow High School! Please go to the WHS website (<https://whs.aos92.org>) to view the video.

As a follow-up to the video, we wanted to make ourselves available on March 4th at 6:00 for a question-and-answer session to answer any of the burning questions that you may have about Winslow High School. The link to the meeting will be on the school website.

As is customary with all families, our school counselors, Ms. Marin and Mr. McNeil will meet individually with all incoming students and their families to schedule classes for next year. At that same virtual meeting, the counselors will also discuss a four-year plan for high school related to his/her future aspirations. Counselors are available during the day for meetings and they also hold evening hours through March and April. Please be sure to contact Ms. Theobald to schedule an appointment at 859-2437 or email at [btheobald@aos92.org](mailto:btheobald@aos92.org). Students are assigned a counselor by last name: Mr. McNeil (students with last names A-La) or Ms. Marin (students with last names Le-Z).

Everyone at Winslow High School believes in developing positive relationships with students and their families. While this starts with the Open House, it does not end there. It is these kinds of connections that truly make Winslow High School what it is!

Our doors are always open to you and your family, so if you have any questions regarding the transition to high school, please do not hesitate to contact us.

Sincerely  

Chad M. Bell  
Principal
