ABOUT THE CAMP

This will be the twenty-seventh annual Eagles Soccer Camp at Erskine Academy. Over the past years, the staff of Eagles Soccer Camp has enjoyed the opportunity to promote the game of soccer to area youths. We have concentrated on teamwork, building skills, and having fun. We would like to encourage all kids with an interest in soccer to participate in camp this year.

The Eagles camp will provide an opportunity for players of all abilities to be challenged through a fun learning environment. A focus will be on skills with an introduction and opportunity for mastery.

Unfortunately, because of scheduling conflicts, if there is a rain day where camp has to be canceled, there will be no make-up day.
